

Sycamore Education Foundation

The Sycamore Education Foundation (SEF) distributes funds for projects that enrich the academic programs in Sycamore schools. In addition to hearing, reviewing, and voting on grant proposals, members of the foundation work to promote the acquisition of donations. This work is accomplished through attending monthly board meetings, being active on a subcommittee and/or with “action items”, and being involved with the annual fundraising events.

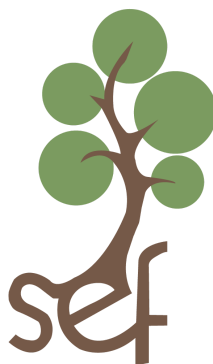

SEF is now accepting applications for the 2020-21 school year.
SEF strives for a board with varied talents.

- A term is four years; board members can serve a maximum of two terms.
- SEF meetings are typically held the third Monday of each month.
- Board members are expected to make an annual financial contribution that would be considered generous for them.

If you are available to attend monthly board meetings, interested in becoming actively involved in securing and distributing funds that enhance educational opportunities, and committed to being involved with annual fundraising events please submit the attached SEF nomination form to be considered for a position on the SEF Board.

Additional information can be found on our website, sycamoresef.org, and if you have any questions or need additional information, you are encouraged to contact Lauren Holtz at lholtz@syc427.org or 815.899.8264 or any of the current SEF board members you may already know:
